

**Jim Melichar Soil Health
Memorial Award**

*Honoring his legacy of farming
for conservation.*

“This is about Soil Health”

*This Annual Award goes
to a soil health advocate who
strives to be the best steward
on their land and in their
community.*

*Nominations will be accepted
until December 31, 2022. The
awardee will be chosen by CFF
Members and presented at our
annual Soil Health Workshop on
February 9th*

Thank you!

Date: _____

I, _____, nominate _____,
as an exemplary person performing best management practices that positively
impact soil health and water quality, to be awarded the Jim Melichar Soil
Health Memorial Award.

Please check the boxes your nominee has completed:

- No-Till planting on almost all farmed acres.
- Cover Crops in almost all farmed acres.
- Planted interseeded cover crops on their farmed acres.
- Is active in Community events and strives to learn more about how they can improve their operation.
- Attends any of the following: Clean Farm Families events, Farm Demo Network Events, 4-H, etc.
- Maintains adequate ground cover on the soil.
- This person would help out a neighbor in need, is kind, and is a great person to work with a be around

Please explain why you feel this person should be awarded.

Please email your nomination form to Katie Vogeler at
kvogeler@co.ozaukee.wi.us

Feel free to share a photo of your nominee being a soil advocate!
